VOLUME 37

FRIDAY, JUNE 23rd, 1944

NUMBER 7

Hats Off To Cardston Rotes

Congratulations to the Cardston Rotary Club on their winning the President's Award for outstanding achievement during the year 1943-44. The award was made at Rotary headquarters in Chicago by International President Charles Wheeler.

The outstanding achievement of a well rounded program including the planning for the rehabilitation of the men & women in the service was the work done on a "Work File" program for the post war years.

We are proud of the accomplishment of Cardston winning this award out of the 35 Clubs in District 116. The recommendation was made by District Governor John N. MacFadden of Dauphin, Manitoba, and approved by Rotary International.

2nd WARD TEMPLE EXCURSION

The Raymond 2nd Ward had an excursion to the Temple Wednesday this week when about 40 people from the ward attended the sessions. The Bishopric were there 100 p.c. and many of the presences of the Quorums and organizations. Considering the gas and the situation this is considered a very fine turn out for this important work.

INVASION MAP

We are, in receipt of a limited number of Invasion Maps, made since the invasion of France on D Day. These will give you the names of the Italian and Russian fronts and the places so much in the news on the invasion coast of France. If you want one we urge you to act quickly before the supply gives out.

The High School Field Day is being held today with the Senior Prom at night on the Open Air Pavilion.

AIR CADET FLASHES

Parents night Monday closed the years work for the Air Cadet Squadron, when they went through their ceremonial at the Ball Park with FO. Bob Zobel as reviewing Officer. FO. Hudson then put the squadron through a drill demonstration, the conclusion of which the awards were made for the years work in proficiency.

Best dressed cadet Cpl Wing D. Aircraft Recognition contest FS. Hudson A. J. Cpl Dahl, R.M. Administration Test FS. Hudson A. J. Meteorology Test FS. Palmer H. Over 90 p.c. attendance FS. Hudson A. J. Cpl Dahl R.M. Sgt. Barker G. L. ACI. Fairbanks L. ACI. Paxman E. S.

Highest score on Marksmanship contest FS. Ball G.S.

Made LAC. Cpl. Dahl R.M. The Prizes given for the Aircraft Recognition contest were donated by the local veterans and presented by Trudy Wagstaff. The School Board as our local committee donated the other prizes.

The remainder of the evening was spent at the High School. Here Instructor McMullin's Cadet Band played 2 numbers, after which demonstrations in signalling were given by FO. Kitchen, FO. Hudson and the cadets of the signalling class. Messages were sent and returned in Morse and the Aldous Lamps.

FO. Bob Zobel kept the crowd very interested when he related some of his experiences and work as a fighter pilot.

Instructor Landysheff gave a demonstration on Air Craft Recognition After which CO. Barker ran through a "R.C.A.F." sound film.

Parents night closed with a lunch of rolls, celery, cocoa and baked beans.

The officers wish to thank FO. Zobel, the Veterans Association the School Board, the officers wives and all who helped to make the evening a success.

Grandstand Will Be Decided Improvement

The new grandstand, now under construction at the Stampede Grounds will accommodate about 2,500 as well and it looks like a big entry people, and according to T. K. List, Clark is rounding up a bunch of real tough ones for the Saddle construction of the grandstand and Barback events, and Jim is A1 and will make a very fine addition to the grounds. The seats are raised several inches above the some waddie who can stay with back part so that one will not be this twisting piece of beef long enough to qualify.

Other people pass behind on the Folks, this is your show, I. D. seats. A foot rest is built in so that Ray and the rest of the fellows your feet will not always be worry do all they can to get the best in ing you or the party in front of you every line to make it a top show, quite an imposing sight from the After these preliminaries are taken The new tiers of seats are making care of it is definitely up to you and main road as the work progresses, me whether the show is success.

There seems to be a great deal of or a flop Raymond Stampedes for interest in the coming Stampede years have made history for the ex-

French Invasion Advances... U.S. Pounds Jap Fleet

Latest reports from the invasion attempt roll to be progressing according to plan, although the fighting in places is severe, and the Nazi forces trapped in Cherbourg, numbering somewhere between 25,000 and 30,000 men face annihilation or must surrender. An Allied ultimatum issued to these troops Tuesday advising them to surrender, expired at 1 o'clock Thursday and now land batteries and naval big guns are bombarding the coastal installations in the great harbor of Cherbourg, and like by by now it has fallen and is being occupied by Allied forces. This will make the provisioning of the Allied armies in France a much easier task than has been the case so far.

In Italy, forces are still progressing north of Rome and toward Florence the next big objective in this theatre. Nazi resistance has lost much of its power the last week or so. On the Russian front the Finnish campaign is the spotlight today as the Soviet forces continue to force the Finns back toward the capital of Helsinki. Efforts at an arm-

Physical Fitness Leader Here

Major Eisenhardt, recently appointed as Dominion Director of the Physical Fitness program, accompanied by his wife will visit Raymond, Magrath and Cardston this week-end, where the Major will discuss with local officials the proposed Physical Fitness program for the coming year.

Don. Soen Low will also be a Raymond visitor to accompany the Major on his visit. Major Eisenhardt has also expressed a desire to visit the L.D.S. Recreation hall in the towns mentioned and to talk with Church recreation directors about L.D.S. Youth program.

A banquet is being tendered the visitors Friday night in the Stako House, and community representatives of various organizations are being invited to attend. Weiburn VanOran is the local spark plug of this program in our district.

Inflation and Deflation... Evil Companions

Past wars have always brought some degree of inflation.

Goods were scarce... Prices and wages sky rocketed to unnatural heights.

Then one day the war stopped...

In due time goods became plentiful again.

Scarcity prices could no longer be demanded

and "spiralling" prices went "pop"

and came down with a bang.

people stopped buying because they thought prices would go still lower

merchandise dropped in value—retailers went bankrupt

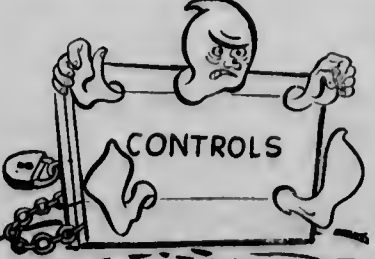

factories closed and unemployment followed

farms were foreclosed

distress was general and deflation was in the saddle.

That is why in this war prices are controlled—so that they will not ruin buyers in a rise or sellers in a slump.

Price ceilings—wage and salary controls—rationing—Victory Bonds—increased taxation—are all part of a grand strategy to head off inflation—thus preventing deflation.

PREVENTION OF INFLATION IS THE BEST PROTECTION AGAINST DEFLATION

LISTEN TO "IN THE SPOTLIGHT" RADIO PROGRAMME EVERY SUNDAY NIGHT 7.30 p.m., E. D. T.

This advertisement is one of a series being issued by the Government of Canada to emphasize the importance of preventing further increases in the cost of living now and deflation later.

HOSPITAL BOARD MEETING

The Hospital Board met in regular meeting Tuesday evening last. Chairman Paul Moreland, Alvin W. Jones and Sec. Dean Rolfson were present. Jos. Brundley was unable to attend because of previous engagements.

The Debentures were all signed by the Chairman and Secretary and were forwarded to Edmonton for signature of Government officials, after which they will be offered for sale. Here is an opportunity for small investors to make a fine investment and to help their district. The Debentures will pay 5 p.c. interest annually to holders.

The correspondence of the month was taken up. Good progress was reported on the assembling of materials for the building and as soon as the basement walls are up, a large crew will be put to work on the building proper. Delay in transit of basement window frames caused a slight delay the middle of the week.

SPORTS DAY

The "Sports Day" at the Public School proved highly entertaining and profitable. The sale of handicraft and refreshments netting in the vicinity of \$160.00.

The children did very well in their events, outstanding being "Tumbling" under Mrs. Low's direction. Due to Mr. Hicken's organization the various departments functioned smoothly, making it possible for the maximum efficiency.

Special mention should be given Mr. Tollestrup who made the jumping standards. They will be enjoyed for many months to come by the school children.

Mr. and Mrs. "John" Faber deserve a vote of thanks for making the day a success. We would like to see you more often at the school.

All proceeds are to go for the children's Ward in the local Hospital.

LIONS CLUB MEETING

The regular meeting of the Lions Club was held in the Opera House with Pres. Golden Snow in the chair. "Oh Canada" was sung followed by prayer by Lign Wm. Jensen.

Val Heggie was made a Key Member for securing 2 or more new members for the club.

Lion Robert Fausett introduced r. Ball of the C. P. R. as a guest. Lion Ira McBride introduced Ed Rine of the Robinson Little Dry Goods firm and Dorrell Stone was also present as a guest. The Lions

Rear was given the guests and the cooks were called and they were also given the Lions Rear for the splendid meal served.

Sec. Dean Rolfsen read a very pleasing Financial report which was moved and accepted by the members.

Lion Paul Moreland related some of the happenings at the convention in Lethbridge.

Pres. Snow handed over the Presidency of the club to Mutt Ralph for the coming year. Mutt asked the members to give him the same support they had given Golden.

A motion of thanks was given the out going officers which was followed up by the Lions Rear.

The meeting closed in the usual manner after which the members moved over to the Park and played Softball.

Mrs. T. J. O'Brien returned the end of the week after spending the winter with relatives in Arizona, California and Utah. She reports herself as much improved in health as a result of her trip.

To Plan!

Many of us have planned ... through our Victory Bond and W. Savings purchases ... to make our post-war dreams come true. It is a good idea to keep these valuables SAFE until we need them.

Larger TREASURY BRANCHES offer the convenience of safety deposit boxes ... All Treasury Branches provide for safe-keeping of valuables in the Treasury Branch safe.

TREASURY BRANCHES throughout the province are operated solely for your benefit ... your convenience. It will pay you to use them.

Lee Brewerton was a business visitor to Calgary this week, going up on Tuesday.

LAC Mont Palmer spent a short leave at home last week-end. Accompanying him from High River was LAC Roy Trelle of Calgary, son of Herman Trelle, famous wheat king of the Peace River country.

A great many local Lions and their wives were in Lethbridge Thursday, Friday and Saturday to attend the Lions District Convention held there. They report a very enjoyable and educational convention. Phil Baker was elected District President for the north part of the district.

Inviting Your Patronage

When harvesting starts this season, considerable space will be available for deliveries of grain in country elevators. Many customers of Alberta Pool Elevators have been prevented from delivering to these elevators in the past few years due to congestion of facilities. This fall they will likely have the opportunity of again becoming patrons of this farmers' grain organization.

ALBERTA WHEAT POOL

NOTICE

Re ROSS D. STRONG Estate

All debts due the late ROSS D. STRONG, are to be paid to W. L. JONES only, who is Solicitor for Mary E. Strong, applicant for letters of administration.

Anyone who has paid accounts to any other person would do Mrs. Strong a favor by reporting the same to the above Solicitor.

W. L. JONES,
Solicitor for Mary E. Strong.

There is a prisoner of war camp on the coulee east of Jos. Mandley's and the men camped there are assisting in the beet thinning in the district. They are billeted in tents.

A large James transport moving van was here Tuesday and took the household effects and furniture of Mr. and Mrs. Wells to Eastend, Sask. and will return from there with the furniture of Mr. and Mrs. Klug.

Sacrament meetings throughout the L.D.S. Church this coming Sunday evening will be devoted to the life and ministry of the Prophet Joseph Smith. This is the nearest Sunday to June 27th, when he and his brother Hyrum were martyred in Carthage jail and the program will recall some of the events connected with this event.

Announced in the House of Commons: Old Age pensioners may now receive an outside income of \$125 instead of former \$65 limit. With maximum staying at \$300 a year, a pensioner can now receive up to \$425 annually.

Many of the teen age boys have built kayaks, a canvas covered canoe and dare boating and swimming in the dam. The idea is to merely ride in the boat, but they are narrow and capsize very easily and the wise boys wear their shorts and a smile when they go boat riding and then if they turn over they don't have so much to swim back to shore with.

Roy O'Brien of Ogden, Utah, is visiting here with his sister Mrs. R. A. Nalder, who just returned last week from a visit with he and other relatives in Utah.

Elders J. T. Steele and Smith Ackroyd and Mrs. Myrtle Passey were Home Missionaries at the 1st Ward last Sunday evening. Special numbers were a reading by Miss Ackroyd, Violin Solo by E. M. Kiddie and a vocal solo by Mrs. Marie Matkila.

Pres. M. T. King and Elders W. W. Wilde and H. Myron Holmes were missionaries to the 2nd Ward Sunday night, and Mrs. S. B. Smith, recently returned from the Western Canadian Mission and Mrs. T. J. O'Brien recently returned from spending the winter in Arizona and Utah also spoke.

COOPER REUNION

A more or less impromptu Cooper reunion was held Sunday at the Reg. Cooper home when his father and Mrs. Cooper of Ellensburg, Wash., visited there for the day. Accompanying them from Cardston were Mr. and Mrs. Wm. Cooper, and from Picture Butte were Mr. and Mrs. Maurice Cooper and daughters, and Mr. and Mrs. Athol Cooper and children of Raymond.

Dinner was served to 22 and the day was spent in visiting. An old resident of Raymond, Wm. Cooper will be remembered as a painter and decorator. 82 years of age and still hale and hearty he was enjoying the visit and so were the children.

SCOUT CAMP AT POTHOLE

On Friday evening, Boy Scouts of the Taylor Stake, representing all wards, will go into camp on the Pot Hole Coulee, on the old road from Raymond to Magrath. The camp will last from Friday until Sunday evening.

Games, contests, demonstrations, lectures and such will occupy the time and parents are urged to encourage the boys to attend and if possible to visit the camp while it is in session.

ARTHUR C. KING NAW BANK MANAGER

Arthur C. King of Eastend, will arrive here shortly to take charge of the local office of the Bank of Montreal.

The new manager is a banker of more than 28 years' experience. He is a native of Oak Lake, Man., and was educated at Armstrong, B.C., at which point he entered the service of the bank. Subsequently he served in various western branches of the bank.

In 1928 he received his first appointment as accountant at Shaunavon branch, and, some ten years later, became manager at Elk Lake, Oakville, Duck Lake and Eastend. Afterwards he was manager of the offices of the bank.

Mr. King takes an active interest in community affairs, and, while stationed at Eastend, was a member of the board of trustees of the Eastend school district and honorary secretary of the Eastend Squadron of the Air Cadet League of Canada. His outdoor recreations include golf and curling.

LUBRICATION TROUBLES QUICKLY FLY AWAY

Where McCull-Fontenac Farm Lubricants are used, there is no resting place for trouble due to *incorrect* lubrication! For conclusive proof, just make the following test: Take any piece of your farm equipment that is giving you grief. Then, thoroughly lubricate it with the McCull-Fontenac lubricant especially designed for its care. You will be quick to notice the difference—quick to realize why thousands of Canadian farmers are daily changing to these better petroleum products.

Right now, with your busiest season ahead, put your machinery in shape. Avoid costly tie-ups and unnecessary wear and tear by calling on us, without delay, for a supply of the famous lubricants for the farm as listed in the panel at the left.

SHUR-GAIN News OF THE WEEK

CUT SMALL PIG LOSSES

We all know that losses among small pigs from anaemia ... which is a lack of red corpuscles in the blood ... are high during the winter months. Since this is due to lack of iron, many farmers feel that summer pigs are protected adequately from anaemia—for the pigs are outside, and get iron from the ground in which they root.

ACTUALLY ... many summer pigs are anaemic. The practical, safe and inexpensive method of preventing losses is to feed either IRON SULPHATE or REDUCED IRON to ALL small pigs.

There's real economy, too, in feeding SHUR-GAIN HOG CONCENTRATE to hogs WINTER AND SUMMER!

Fed on grain ALONE, a hog requires 1,100 pounds of grain from weaning to marketing. The SHUR-GAIN WAY ... 50 pounds of SHUR-GAIN HOG CONCENTRATE will save you 400 pounds of grain for the same period. Not only do you make an extra \$3.00 per hog, but with the prospect of feed grain shortage in Canada, this grain saving is a NECESSITY. Ask your SHUR-GAIN DEALER now for a supply of SHUR-GAIN HOG CONCENTRATE!

WEEKLY LETTER

FIELD DAYS

Field days have been held regularly for several years at District Experiment Sub-stations and at a number of Agricultural Associations. Farmers have shown a definite interest in these events as indicated by the fact that in 1943 the attendance at 15 field days reached a record high of 2,775. Every effort is made to make these field days both interesting and instructive. Generally two or three speakers on agricultural topics are present at each field day and the program is arranged to suit each particular district. A lady trained in home economics is present at each field day as a special speaker for the ladies present.

Speakers taking part in 1944 will be: R. H. Painter, "The 5 Point Program for Sawfly Control," J. J. Paterson, "Tractor Fuels and Lubrication," J. H. Brown, "Ticks, Gophers and Disease," Dr. K. Rasmussen, "Poultry," P. D. Hargrave, "Farm Orchard," Miss L. Low, "Home Decoration." Farmers will be fully advised concerning details of programs in the various districts through newspaper advertising, posters and mimeographed letters. Dates of 1944 field days are as follows:

Acadia Valley—June 26
Hendloss—June 27
Cereal—June 28
Drumheller—June 29
Craigsmyle—June 30
Rockyford—July 1
Pineher Creek—July 3
Nobleford—July 4
Clareholm—July 5

CROPS COMING ALONG FINE

Another week and we are glad to be able to report crop conditions throughout the district as satisfactory in every way. Rains again the first of the week have soaked the ground up fairly well and nice bright and warm sunshine since Wednesday afternoon has brought things along rapidly. Row crops are showing good healthy growth now after being backward to the first part of the growing season.

Beet thinning is nearing completion and satisfactory stands are seen on every hand. The first crop of alfalfa is mostly cut now, after some of it becoming quite rank before the weather man permitted farmers to cut it, and other fields laid for several days, not drying enough between storms to permit of it being put up. Grass lands are starting good now and pastures are improving every day.

Graft fields generally speaking are good. To date the weather has been wet enough and cool enough that no hopper or sawfly damage has threatened, but entomologists are warning now that with the warmer weather, the wheat stem sawfly will commence to work and farmers should be on the watch for it.

Mrs. Lee Brewerton's in Windpeg visiting with her sister Mrs. Margaret Swanson. She is expected home this week-end.

Lemond—July 6
Foremost—July 7
Whitla—July 11

The annual field day and general visitors' day at the Lethbridge Experimental Station is scheduled for Friday, June 23rd.

The front of the block housing the Post Office and the Bakery was freshened up this week with a new coat of paint.

In a letter to Mrs. N.W. Peterson from her son, Sapper Douglas Costley, he expressed his thanks to the Vets and local people for the lovely parcel which was sent him at Xmas time. He wrote from England and aside from a little indignation he was suffering when he wrote he was feeling fine.

Mrs. S. B. Smith received a letter this week from Thurston, who has been on leave in England for some time. When he wrote he was in Hospital recovering from an appendicitis operation. The attack hit him while walking down the street and he was rushed immediately to the Hospital for an emergency operation.

In the Saskatchewan election held last week the C.C.F. party under the leadership of T.C. Douglas, won the province by a veritable landslide and latest returns give them 44 seats against 5 for the Liberals, the defeated party of Premier Patterson. A party caucus is being held July 4 when party policies will be decided and Cabinets chosen. It is expected that Canada's first C.C.F. government will take office about July 10.

You won't get to Berlin in an Armchair!

If Canada and the United Nations had depended upon "Armchair Soldiers" to fight this war, the Nazis and Japs would have grabbed this country long ago.

There is no "Royal Road" to Berlin. It's fighting all the way and Canada's Army needs every man it can get. That's why, today, you should volunteer for overseas

service. You'll need months of intensive training to make you fighting-fit.

Don't be a stay-at-home and let the other fellow do it. Get into a man's uniform with the G.S. badge of honour on your sleeve. If we're going to win this war, we'll have to do more than just read about it in the papers.

So, come on you fellows, the good old army has got to finish the job!

"JEEPS" ON FARMS
The army "Jeep" will, not be as useful on farms in the post-war years as many people imagined. In the opinion of Grover J. Sims of the U.S. Bureau of Agricultural Economics the "jeep" may have limited supplementary use for farm hauling purposes, but as a source of draw-bar power it has several serious limitations. It is not adapted to the cultivation of row crops as it has little clearance and its wheel spread is not adjustable, to take care of variations in the width of rows. The high speed motor and high gear ratio of the "jeep" makes it use a lot of fuel and will cause it to wear out sooner than the small type farm tractor pulling heavy loads at low speeds.

NEWS NOTES
Miss Dorothy Dietz, of Toronto, a niece of Mrs. Howard Rasmussen is spending a vacation here with Mrs. Rasmussen and other friends.
Mr. and Mrs. Geo. Fromm, Sr., went to Glenwood on Tuesday to attend the funeral services there of the little boy of Mr. and Mrs. Wai. Buettner, close friends of the Fromm family.
Most of the Hospital crew were laid off for a few days this week due to a lack of material. Gravel, sand and cement are on the site now and when the pouring of the foundation commences it will go pretty fast.

WEEDS TAKE THREE BUSHELS AN ACRE

The National Research Council with the aid of our Prairie Universities and the Dominion experimental Farms has recently finished a survey in which they attempted to find out the amount of the crop taken each year by weeds.

The results are startling. They calculate that weeds take about 20 per cent of all crop each year, which amounts to approximately 3 bushels of wheat to the acre, and in total money value comes to over \$30,000,000 a year, which farmers lose long without any weeds. It does seem food stolen by weeds growing in the grain crops.

It is perhaps impossible to farm one prairie under present conditions without any weeds. It does seem however, as though the great losses taken by weeds could be cut down considerably. It must be remembered that this loss of 20 p.c. represents net profit which the farmer has actually worked for, and earned, when he ploughs and cultivates his land sows and harvests his crop. It is exactly as though, after he had sold his grain, and put the money in the bank, some one had come along and stolen 20 p.c. of his money.

Evidently it is worth while going to considerable trouble to kill weeds.

HELP WANTED

In its daily (Monday to Friday, 1:30 p.m.) broadcasts, and in the special series "Help Wanted" (Mondays, 9:45 p.m.) the CBC's Prairie Region Farm Broadcast Department is urging city men, students and others, to spend their vacations working on farms. The help is sorely needed. So are the crops. Above, a young urban worker is gathering sunshine vitamins in the hayfield, giving the farmer a welcome helping hand, and earning himself a little pocket money into the bargain.

C. C. F. Rally and Picnic

A. C. King, who has been appointed to succeed R. J. Wells as Bank of Montreal Manager here, was a visitor over the weekend and was introduced to some of the business men by Mr. Wells. We welcome Mr. King to our town.

Mr. and Mrs. Juke Lybbert and children of Vernal, Utah, are here on a short vacation and will take in the Stampede while here. Juke left several years ago and has acquired a wife, a small family and a good job while away. He is looking fine and we join with his many friends in welcoming him back to Raymond.

The Lethbridge Federal C.C.F. Association is holding a picnic and rally at Park Lake on July 1st. The main speaker will be Alderman H. D. Ainley of Edmonton. Lawn Jitney dance. Sports for children. Speeches at 1:30 p.m. Everybody welcome, bring your lunch and enjoy a good time.

The Misses Hazel & Mildred McBride were hostesses at a party for a number of their girl friends at their home last night.

HOLD HIGH THE TORCH OF FREEDOM

Why DO CANADIANS Like THE BANK OF MONTREAL?

It is not by chance that the Bank has a million satisfied depositors, besides thousands of other friends who use its services in various ways. There are substantial reasons, chief of which, we believe, are as follows:

First, *Confidence*. Canadians of every occupation—farmers, labourers, mechanics, office workers, home workers, business managers and clerks, corporation executives, professional men and women—believe in the Bank, because of its history and traditions, its strength and its known service to the nation.

Second, *Experience*. These Canadians know, by personal experience in dealings with the Bank, they can rely on it—come good times or bad, peace or war—for the kind of banking service they need.

Third, *Modern Methods*. Due to our modern methods, a spirit of helpfulness, and the practical efficiency of our staff, customers find it pleasant to transact business at the Bank, whether it be at the Head Office, one of our large city branches, or the smallest branch in the smallest town.

If you are not a customer of the Bank, you are invited to become one.
